Do we need to transfer any funds to make all of those checks good?

I get it... It's my sense of responsibility that gets in the way. I will leave the copies & mailing to Cynthia though. Thank you for all that you do.

Hi Don, the checks are ready, but I didn't drop them off this morning due to the heavy rain (didn't want to get my hair wet) but will be dropping them off with 30 minutes at Miki's.

Good Morning Bob...

Were you able to prepare SWFM checks for signature today?

Morning Don, Miki,

Don - you mentioned that this week, potentially today, you may have checks. I'd love to swing by and pick up WVC's check and if you have mine handy too ..Rena mentioned that you mailed my December check a bit back but I didn't receive it ..love to pick that up too. I'm off to Torrence today, meeting the new inspectors and apparently they are rolling out some new regs too. If you end up having checks today, I can swing by on my way home in the afternoon otherwise just let me know whenever you all end up doing up the checks and I'll swing by to pick up then.

Rain Drops, Rain Drops - drive safe out there,

Best,

Cynthia
